COMPANY PROFILE

Company Profile

Prash Enterprises is a leading organization in the field of training and skill development landscape. Incorporated in 2016, its mission is to improve business productivity and enhance youth employability.

With the professionals having of over 12 years of experience in Training and Capacity Building, Employment Generation, Livelihood Security etc, PE is committed to provide quality deliverables to its clients. Through its unique technology enabled blended training methodology, PE is able to provide 360 degree solutions from mobilization to placement level.

Prash Enterprises is affiliated with Telecom Sector Skill Council, empanelled with Assam Skill Development Mission and registered with NSDC for implementation of PMKVY programme with an objective to enhance skills of millions of youth across the country and empower them with livelihood linked skilling programs.

Prash Enterprises, through the association of renowned and experienced professionals in Manpower Outsourcing sector, is playing a pivotal role in providing placement to the successfully skilled youths in various industries across the nation.

Prash Enterprises is also equipped for implementing the CSR projects with an aim to provide livelihood skilling to underprivileged youth. We are now gearing up to undertake the CSR programmes from the Corporates.

Our Approach

To develop learning, governance and empowerment systems which are world-class and value-based and which are responsive to the individual and social developmental needs of the people by bridging the Digital Divide.

We will be committed to gain a reputation of excellence in delivering quality education services to, local businesses, domestic and national students enabling all stakeholders to reach and achieve their goals.

Vision

Eradication of poverty through a People Centric Action, strongly believing Gandhian concept of development, work as a catalyst to ensure the active participation of women, poor, tribals, SC and downtrodden for their self-liberation from oppressive conditions of ignorance, fear, poverty and exploitation by awakening their socio-psychological and decision making potential in order to maintain a respectfully healthy and hassle-free life style in the society.

Mission Statement

To advance vocational education and training to develop professional competencies for the future workforce and foster social and economic development of local communities.

To offer life-long learning, governance and empowerment services through appropriate partnerships.
